as your love*

SERVICES:

Let us handle the details that will make your day perfect. Our passion for personal touches will make your day uniquely you. We can make arrangements for Hatch Show Print invitations and posters, valet parking, transportation, tents, lighting, photography, audio-visual, keepsake gifts, cakes and florals, and so much more. We are here to make planning your big event as easy and fun as possible.

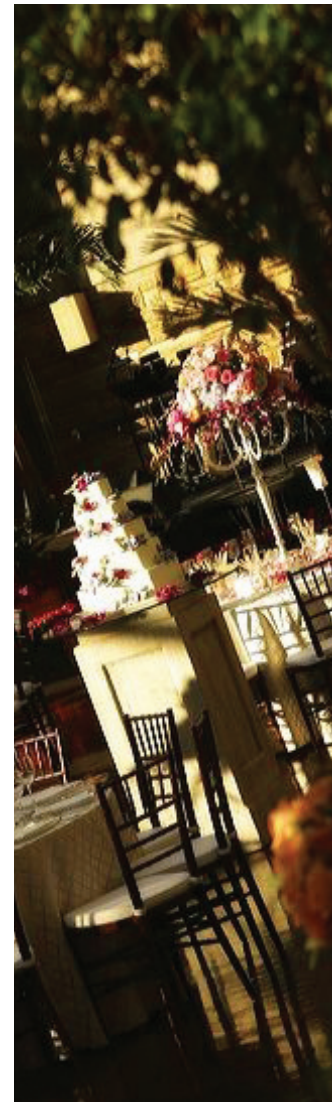

ENTERTAINMENT:

Complete the perfect setting with complementary music. "Music City" is quite a literal translation for the wide range of talent we have to offer. Whether your personal style demands a symphony of strings, a trio of guitars, or a band that will have you dancing the night away, we can accommodate your needs.

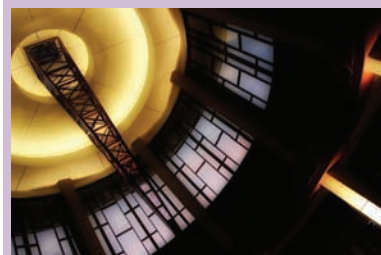

CATERING:

The freshest of ingredients, many of which arrive from our local farmers, are combined in unique and inventive ways. Your guests will be thoroughly impressed with our passion for taking the ordinary and making it extraordinary.
