

THIS MUSEUM IS DEDICATED TO SUSTAINABILITY

Food Donation

All leftover food is donated to the Nashville Rescue Mission and other organizations that feed the homeless and hungry members of the Nashville community.

All of the Museum's to-go containers, disposable silverware, plates, cups, and paper goods are 100% compostable.

How does this dedication impact our community?

Through donated and recycled goods we saved 227,000 kWh.

Enough electricity to power 21 Households

We donated 14,694 lbs of food.

Enough to feed 10 Adults for 365 Days

266,042 lbs of food and recycled goods were **diverted from landfills.**

Awards
