Established in 1879, Hatch Show Print is one of America's oldest working letterpress poster shops. With its extensive collection of carved blocks, Hatch designs and prints 500–600 different posters each year for the likes of the Black Keys, Willie Nelson, Miranda Lambert, the Rolling Stones, and others. Today's posters are printed using the same wood and metal type used for generations for members of the Grand Ole Opry, such as Bill Monroe and Ernest Tubb, and for rock & roll figures such as Elvis Presley and Chuck Berry.

Another historic property of the Country Music Hall of Fame® and Museum.

For half a century the Country Music Hall of Fame® and Museum has been home to a growing collection of over 2.5 million artifacts, including one-of-a-kind recordings, films, instruments, and more. Visitors of all ages will discover the connections between country music's past and artists of today in the interactive gallery space. Witness everything from Hank Williams's cherished Martin guitar to Elvis Presley's custom Cadillac, to outfits and instruments from the likes of Alison Krauss and Carrie Underwood.

Located on Nashville's famed Music Row, Historic RCA Studio B is the oldest surviving recording studio in the city and one of the most celebrated studios in the world. The fabled "Home of 1,000 Hits" produced such classics as Elvis Presley's "Are You Lonesome To-night?," Dolly Parton's "I Will Always Love You," Roy Orbison's "Crying," and many others.

Preservation of Historic RCA Studio B made possible through a partnership between the Mike Curb Family Foundation and the Country Music Hall of Fame® and Museum.

ONE-OF-A-KIND GROUP EXPERIENCES

WAYLON'S WAY™

Waylon's Way is your group's backstage look at those defiant years, with stories and songs from Carter and Barney Robertson, who played and sang alongside Waylon Jennings—the country music pacesetter, dreamer, and singer who fronted the Waylors. From the tour bus to the studio and stage, this program transports audiences to the 1970s, to the Outlaw scene in Tennessee, Texas, and in-between.

INSIDE TRACKS™

A true day in the life of a musician—from songwriting and performing to professionalism in the music industry—this program covers it all. Co-write and produce a song from scratch with Nashville recording artist Meghan Linsey and record producer Tyler Cain, who will help your group compose a beat and write accompanying parts to your original track.

Duration: 1 hour without Museum tour. Museum admission included. Based on availability.

STORIES BEHIND THE SONGS™

Discover the stories behind the music you love in a private session with one of Nashville's hit-making songwriters. The writer demonstrates to the group how a song is created from concept to hit. After the session, join the writer for a meet-and-greet and autograph signing.

Duration: 1 hour without Museum tour. Museum admission included.

SHARING THE ART OF SONGWRITING™

Experience for yourself what makes songwriting in Nashville so unique with this interactive co-writing program. Work closely with one of Nashville's most accomplished songwriters as they guide your group in composing original lyrics of their own. End this session with a group recording of Nashville's newest tune.
